The only true Specifick Chymical Liquor,

For Dissolving and bringing away the Stone, whether in the Kidneys, Ureters or Bladder; and for instantly curing the Strangury, and all Heat, Pain, Stoppage, or Difficulty in making Water.

THE very first Dose of it gives perfect

Ease in a Moment, even in the most racking Pains of either STONE or GRAVEL, and at once entirely frees the Patient from the STRANGURY, and all Heat, Pain and Stoppage of Urine; it dilates the Ureters, makes them slippery, and the Crumbings of large Stones, together with Sand, any Gravel, may pass freely from the Reins, and be voided easily with Urine without Pain; effectually cleanses the Kidneys, Bladder, and all Urinary Passages from gritty calculeous Matter; heals all internal Excoriations or Soreness of the Parts, directly takes off all Pain in the Back, and those Pains so much like the Cholick, and may be depended upon to dissolve large Stones, so as intallibly to cure that most miserable Distemper.

It gives such sudden and unspeakable Relief, that whoever takes but one Dose of it, will be thoroughly convinced of its surprising Efficacy, which many Hundreds have happily experienced to their infinite Satisfaction.

It is such an agreeable Diuretick and powerful Dissolvent, that it infallibly prevents the Stone in those who are troubled with Gravel only; and for the perfect Cure of either Stone or Gravel, and all Disorders of the Kidneys, Ureters, or Bladder, occasioned thereby, is the only true Specifick Remedy that can be surely and safely rely'd upon, as it gives instant Relief as soon as taken, (even when nothing else will) and infallibly accomplishes a perfect Cure without the least Trouble, being pleasant to the Palate, agreeable to the Stomach, and comforting to the whole Body.
